RELAY FOR LIFE

May 3-4

Anyone who wants to be on the Relay for Life Team please contact Dan Newquist at dan@garynewquist.com or call 779-0699. I have talked with some people already, but please make sure you are on the team and I have packets to give to you. Any donations please contact Dan or a team member as well.

Dan asks that if you are not participating to please contribute \$20 to the cause.

WHAT'S BEEN HAPPENING

*Art Scene (art supply store downtown) will donate \$2 to Polio Plus for each paint by the numbers set sold between 4/14 through 4/20. Please support this while doing some gift shopping!

*Program for April 9, 2003: Cari Karns provided a very interesting presentation on the Interplast is a nonprofit organization which partners with physicians in developing countries to provide free reconstructive plastic surgery for needy children and adults in their communities. It was established in 1969 by Dr. Donald R. Laub, and was the first organization of its kind. Over the years, Interplast's donors, volunteers, and medical colleagues around the world have provided more than 47,000 life-changing surgeries free of charge for needy children and adults. It is based in Mountain View and exists entirely on donations and volunteer efforts. For more information look on the web at interplast.org.

*Wendy Mann of the Central High Home and School Club asked Rotarians for their support of a bedding plant sell to benefit the Central High Graduation Ceremonies cost. Orders will be taken at next week's meeting (see Dan Newquist) and will be on sell for only \$10. Plant pick up is scheduled for April 19.

*Teri Nelson is looking for volunteers to provide parking attendant assistance for the Relay for Life event. Really needs help from 7:30am-9:00am. Please see Teri if you can assist.

*Chuck Musich was the sheriff and had his hands on someone's phone. Appears a Rotarian lost it, another found it and made as many calls as possible before he had to turn it in. I wonder who he was calling? The lucky owner: Bill Brown.

John Tarvin reminded everyone to mark the date of the club's annual golf tournament, Friday, October 3rd. A new twist this year, if you are not able to work or play at the tournament you can buy out for \$400!
