**Russ Danielson** announced that he was supporting the Paul Harris Foundation as a double sustainer and now he

was coming to you for your support.

**Lisa DeSilva** announced something but I missed it! Poor reporting on my part but I am sure that she will tell us again.

**Past President Insight**

Past President Roger Knopf (number 5 in the box) shared some of his views on the meaning of Rotary. Roger talked about fellowship and community service being the start of the rotary experience. He stated that you best understand what a Rotarian is once you participate and get involved. In concluding Roger stated that Service in rotary is to the greater community not just our city but a much broader venue.

President Steve will be calling on past presidents from time to time to share their knowledge and experiences of Rotary. **PAST PRESIDENTS BE ON THE LOOKOUT FOR PRESIDENT STEVE**
