## This Weeks Programs Highlight

President Steve kicks off today's assembly:

Goals:

- Be engaged, active, happy and informed
- Service and fellowship
- Promote the 4 Way Test
- Use past Presidents expertise
- Exploit clubs skills
- Help monitor and promote leaders

Bob Foster spoke about de-mystifying the past presidents. The past presidents know how to delegate!

Steve showed a slide on three questions that are suggested topics at the tables. They are:

1. What barriers do individual members perceive to accepting positions?
2. How could the past and current presidents/ leadership of the club assist in breaking these barriers?
3. Would the mentorship of other Rotarians be of assistance?

Why are we doing this!?!

- This club functions on a shared basis, if everyone helps, everyone wins
- We have always been a club where everyone works hard
- At the table today, every question is opened for discussion
- Need 100% involvement
- December is nomination month
- Let past Presidents know if you like to chair a club

The discussions at the tables will be published later but some of the key highlights are as follows:

- Publicize job descriptions
- Club to be open to new ideas
- Mentorship
- Find ways for others to get to know club members
- Improve communication
- Get to know the face with the name
- Eliminate any male perception of the club
- Key in on time factor of the club
