### **\*The Lunch Program\***

This program is meant to encourage you to expose friends and acquaintances to the Morgan Hill Rotary Club. By exposing them to our Club, we hope to generate interest that could lead to their joining our Club as members. It is not being billed as a "potential member" program because there should not be any pressure put on them or felt by you that we are pressing for new members. If they come and enjoy the experience and express interest, we would like you to follow through – either by volunteering to sponsor them yourself or by referring their interest to the Membership Committee to pursue.

The program is to expose people to Morgan Hill Rotary who are unfamiliar with it, so bringing family members, visiting or past Rotarians, or others that you already know are not able to even consider membership at this time is inappropriate. Please make sure you use this program in the intended spirit.

You are also encouraged to bring people who are supportive of Morgan Hill Rotary to lunch as "guests of the Club". You do not have to use the lunch program to reward supporters who deserve our recognition and acknowledgement. You are asked to secure the Club president's approval for "guests of the Club" that you would like to host.

One last note on the lunch program, we want all of you to use the program over the next several months. There will be some that will exhaust "a couple" of lunches and still have people they would like to bring, and that will be supported, just clear it with the Club president. Thanks for your support!
